About the **NAVY LAKEHURST HISTORICAL SOCIETY**

Navy Lakehurst Historical Society is a nonprofit (501c3) organization dedicated to preserving the distinguished heritage of Naval Air Station Lakehurst, NJ and was established in 1975. NLHS was incorporated in 1987 and has hundreds of members worldwide.

Our intent is to increase the public’s knowledge of the heritage of one of the U.S. Navy’s first Air stations through exhibits, tours, speaking engagements and displays at libraries, museums, schools and other events.

Guided tours include photographs, models of aircraft, ships, military equipment (all of US Forces), clothing, patches, POW/MIA artifacts and other items.
The Hindenburg disaster took place on Thursday, May 6, 1937, as the German passenger airship Hindenburg caught fire and was destroyed during its attempt to land at the Lakehurst Naval Air Station.

Of the 97 people on board (36 passengers and 61 crewmen), there were 36 fatalities: 13 passengers, 22 crew and 1 civilian ground crewman.

Scan the code to see the Hindenburg’s horrifying disaster, and watch interviews from the survivors.
